HOW TO: RUN AN IN-PERSON FOOD DRIVE

More than half a million Jewish New Yorkers struggle to put food on their tables. You can help our kosher neighbors in need by participating in City Harvest's *High Holidays Food Drive*.

Starting your food drive is simple!

Food Needed:

- All types of kosher canned, non-perishable, sealed, or packaged food are acceptable for collection. Non-kosher food will not be accepted for this food drive.
- The most-needed foods are shelf-stable, kosher sources of protein, such as: tuna, salmon, sardines, peanut butter, and beans.
- City Harvest cannot accept unlabeled or dented cans; open packaging; products that need to be refrigerated; homemade foods; or expired products.

Tips for a Successful Food Drive:

- Ensure all items have at least one of the following kosher certifications:

- Publicize your drive by hanging up the *High Holidays Food Drive* poster. To download additional posters and materials, please visit cityharvest.org/fooddrives. You can also include information about the drive on your website, social media channels, and in your print or digital newsletter.
- When you've collected at least 50 pounds of food, contact City Harvest by calling **646.277.7800** or emailing fooddrives@cityharvest.org to schedule a pickup.
- On the day of your pickup, make sure that your food is **packaged in sturdy boxes of 50 pounds or less** and is located on the ground floor, ready for our driver.

For any questions, please feel free to call us at **646.277.7800** or email fooddrives@cityharvest.org for help setting up your food drive.
